## RichPOS 2000

Bored with beige PC POS boxes? Liven up your business with RichPOS, the all in one colorful POS solution for businesses that take pride of their corporate image. With decades of worldwide experience of the POS industry, FEC brings the all-new RichPOS to your door. RichPOS, robust, injection die cast aluminum base, swish look Plexi-Glass upper casings with your corporate colors on the inside for that crystal clean non scratch finish. PC based architecture, offering a fanless, clean and silent, smooth operation, heaps of I/O capability with standard or customized, color coordinated add-on peripherals, RichPOS brings some diamond light into your business.

Modular design, allows for a variety of screen technologies, sizes and touch panel types. Programmable keyboard, scanner, customer LCD for interactive or advertising product and services, VFD or LCD Pole line displays, RFID reader, are all options that add to the diversity of choice for Retail owners.

### Features

- Integrated with add-on peripherals
- Varied colors choice with display
- Fanless and less maintenance

# RichPOS 2000
